

OTHER TOOLS AND CALCULATORS:

Healthcare Bluebook Cost Comparison Tool

Go to <http://healthcarebluebook.com/cc/maritz> or single sign-on through Workday under the Benefits Application, in the External Links column. This tool allows you to compare cost and quality information for the same medical procedure at different facilities. Choose a facility color-coded as green to help you save money on your out-of-pocket costs. You are also eligible to earn Exclusively Yours® Award Points for receiving services at facilities with the “green” color code for certain procedures listed with the “Go Green to Get Green” designation.

Medical Treatment Cost Comparison Tool - CIGNA

Log into your MyCigna.com member account. Search for providers under the **Find Care & Costs** link and select a provider from the search list. Click the **Costs** tab. Enter a procedure name or billing code to see the estimated cost. Compare costs for the same service or procedure for other providers to help you save on your out-of-pocket costs. *Note: Costs may not be available for all providers or services per provider request.*

Price a Medication Tool – EXPRESS SCRIPTS

Log into your www.express-scripts.com member account. Select **Price a Medication** from the **Prescriptions** dropdown at the top of the page and enter a medication name to see your cost for that prescription and to see if there are any coverage limitations, such as quantity limits or prior authorization, step therapy, or mail order requirements.

Dental Care Cost Estimator – DELTA DENTAL

Log into your www.deltadentalmo.com member account and select **Cost Estimator** in the right column. This easy-to-use tool provides estimated cost ranges for local dentists on common dental care needs so you can find the best price per procedure. Currently, the tool provides the total cost for the procedure, so your actual out-of-pocket cost would depend on your deductible, co-insurance, maximum limits, etc.

Vision Care Cost Estimator - EYEMED

Log into your www.eyemed.com member account and select **Estimate Costs** at the top. Use this tool to choose your preferences from a list of services and products and EyeMed will estimate your savings and out-of-pocket costs based on your plan.

Life Insurance Needs Calculator - VOYA

Go to <https://presents.voya.com/EBRC/maritzholdingsinc> and scroll down to the **Life Insurance** section. Select the **Life Insurance Needs Calculator** and fill in the amounts needed for cash upon death, income for survivors, and current resource amounts to determine the right amount of life insurance needed for your family.

Retirement Confidence Calculator – T ROWE PRICE

Log on to your member portal at <https://rps.troweprice.com>. View your **Confidence Number** to see if you are on track for having enough savings to last through your retirement. Scroll down to the **Resource Center** at the bottom and select **Tools and Calculators** to discover services and tools to help you save more now so you can have more later.

Legal Plan Questionnaire - ARAG

Log on to www.ARAGlegalcenter.com and enter access code 18341mhi. Under the **Resources** tab at the top, select **Savings Estimator** to see your average cost for many common legal services without ARAG legal coverage, and click the red slide bar to show what your cost would be with ARAG legal plan coverage. Or select the **Legal Needs Quiz** for five questions to ask yourself and to see reasons why having legal insurance helps you live with fewer worries. Select the **Learning Center** to search for articles and resources about common legal issues and what you can do if they happen to you.

Employee Assistance Plan (EAP) Tools and Resources - COMPSYCH

Go to www.GuidanceResources.com (user name: LFGSupport, password: LFGSupport1). Scroll to the bottom to the **Tools and Resources** section. Not sure what type of resource you need? Select the **Resource Recommender** to identify your needs and receive a curated set of resources and services or select **Digital Toolkits** to access “one-stop-shop” tools for curated information and resources on a particular topic. **Estate Guidance** provides you with self-guided, online will and testament tools. **On-Demand Trainings** will give you access to short, interactive training modules to help build practical skills to deal with real-life challenges. **Search tools** are also available for child-care, elder-care, attorneys, colleges or universities.
